FCAA Summit Sponsorship Opportunities

Demonstrate your commitment to advancing HIV-informed philanthropy and connect to some of the most influential leaders in the sector through Summit sponsorship.

About the FCAA Summit
Funders Concerned About AIDS (FCAA) will convene an all-virtual 2021 FCAA Summit on November 8th and 9th.

Since 2009, the annual FCAA Summit (formerly known as the AIDS Philanthropy Summit) has served as a critical networking and community building platform. Each year, FCAA convenes close to 200 HIV-informed funders to network and strategize about best grantmaking practices related to HIV and interlinked areas of public health, human rights, and social justice. The agenda, crafted in partnership with FCAA members and allies, presents the opportunity for grantmakers to connect with one another and coordinate their efforts to mobilize resources to end the global HIV pandemic and build the social, political, and economic commitments for health and human rights for all. **Learn more about the 2021 FCAA Summit.**

Sponsorship levels
On the following page, FCAA outlines the different levels of Summit sponsorship and affiliated benefits. In recognition of the importance of general operating support, FCAA also recognizes our member-supporting organizations that provide general operating grants as FCAA Summit Sponsors.

Thank you in advance for your consideration. Your support will help us keep the Summit accessible to all attendees.
